SOFTWARE

So what does R60 per day really get me?

From as little as R60 per day, you can experience how Pilot's Point of Sale system can protect your inventory, increase your efficiencies, and have your business make more money!

Our team of hospitality specialists will guide you through what may have seemed like an impossible conversion path, and within days, you'll be up and running.

Before long, you'll control all aspects of your business, with real time web and app reporting, so you can spend time where it's really needed – in front of your customers.

Your R60 a day gets you software, hardware, support, and cloud reporting – with flexible rental terms.

Contact Pilot today to find out how easy the POS journey can be.

Pilot QRHub

QRHub is a way for your patrons to pay, rate and email the bill using only their phone's camera. No need for cards or time-consuming EFTs – and no more payment apps.

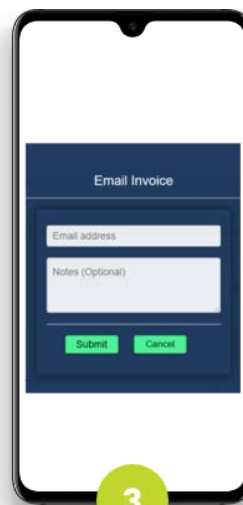

Scan

Scan the QR code on the bill or your waiter's tablet. Your bill and all items are instantly displayed.

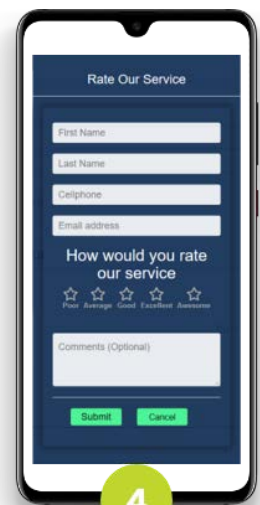

Pay

Choose any linked payment provider and the bill total and recommended tip will be displayed in-app.

Email

Enter your email address and name – then a digital copy of the itemised bill will be sent to you.

Rate

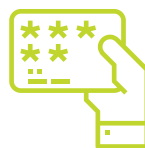

Give feedback to the restaurant immediately and anonymously if you prefer – no additional details required.

GIFT CARDS

If you use Pilot's loyalty programme, your patrons can pay with a digital gift card directly from QRHub.

POINTS

If you use Pilot's loyalty programme, your patrons can earn and use loyalty points directly from QRHub.

VOUCHERS

If you use Pilot's loyalty programme, your patrons can pay with a digital voucher directly from QRHub.

Our combination of robust hardware, powerful software and value-add partnerships has made us an industry leader in providing an all encompassing offering to our customers. Pilot point of sale solutions can optimise virtually all aspects of your establishment.

Accounting integration

PoS integrated into your accounting system. Using Pilot Accounts, you can integrate Pilot PoS into SageOne, Sage Express, Sage Partner, Sage Evolution and Xero Accounting. Data can be integrated at a store, franchise head office, or at a “remote” bookkeeper level.

Loyalty Program

Pilot offers an integrated loyalty program called PilotMiles, with simple cellphone or card signup. You can offer your clients earn&burn, discounts, vouchers, digital gift-cards and more!

Training

Our training modules are crucial to help unlock the many benefits our point of sale solution has to offer. We conduct interactive training at all our branches countrywide or alternatively our team can come to you. Our website also includes many tutorial videos on the basics of setting up and working with our software.
